

PUBLIC NOTICE

Baggett Grain, Inc. has applied to the Tennessee Division of Air Pollution Control (TDAPC) for construction of two grain storage bins (Division identification number: 74-0123-01/60204) along with the interim use of temporary storage bags to be located at 3900 Memorial Blvd., Springfield, TN 37172. The proposed modification would consist of two grain storage bins totaling approximately 680,000 bushels, and the associated grain handling equipment to fill and unload them, along with the interim use of bags for storage. The bags may be located at 3900 Memorial Blvd. or directly across the street, and will not be used after installation of the new storage bins. The permanent unloading area will be covered by an enclosed structure to control emissions. Regulated air contaminants would be emitted by this source. The proposed construction and/or modification is subject to part 1200-3-9-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and public comment period. Interested parties may express their comments and concerns in writing to Mr. Barry R. Stephens, Director, Division of Air Pollution Control, 9th Floor, L & C Annex, 401 Church Street, Nashville, Tennessee 37243-1531. Questions concerning this source may be addressed to Mr. Greg Forte at the same address or by calling 615-532-0554.

Due to concerns expressed by the public about this facility, a Town Meeting will be held by the Tennessee Air Pollution Control Division to discuss the technical, air pollution-related issues concerning the permitting of these bins and storage bags. This meeting will take place at The Center, which is located at 401 North Main Street in Springfield at 6:30 pm on Tuesday, September 26. Comments may be made verbally at that time or also may be submitted in writing.

A copy of the materials used by the TDAPC in making this determination are available for public inspection during normal business hours at the following locations:
